

INFO RAIL

NEW

What better way to share information than with the Arti Teq Info Rail? The Info Rail is the ideal way to suspend all types of documents in the spot of your choice. Pictures, posters, special ad's, recipes, drawings or your to-do-list: there are endless possibilities! The Info Rail is easy to install and can easily be connected and/or reduced in size. The 3-fold gripping system guarantees a firm suspension of documents (for paper > 80 gr/m² to cardboard up to 2 mm).
